4	TRO – STATUTORY CONSUTATION	Proposed removal of existing structural weight limit restrictions at Buckton and Kinsham.	
		 The following items were discussed: Width restriction on road – the clerk had asked this question from TRO consultants and was informed that this was not part of this consultation. Signage would be need if the limit was removed. – decided signs at either end of road to say not suitable for HGVs etc and BBLP to fund these. Passing places – these would be needed if the amount of traffic was to increase – arrange meeting with ward councillor and representative from Herefordshire Council and Locality Steward. Installation of these will be a job and cost for BBLP. Agreed that the clerk should reply to the consultation to identify above issues and not to agree to removal of weight restriction unless the issues were resolved. 	Clerk
